

Financial Literacy Program for Juniors and Seniors

ULTIMATE MONEY SKILLS

Tuesday, March 29th

8:28 – 9:27 (2nd Period)

Ultimate Money Skills provides 11th and 12th grade students with valuable information to help them develop smart money management skills while in high school that will ultimately empower them to achieve financial independence.

The program shows students how to:

- Understand the basics of banking
- Design their own budget
- Establish and responsibly manage credit
- Understand different types of loans
- Protect their identity
- Invest their money effectively

You must sign-up in the Career Center by Friday, March 25th to attend.

See Bertha De Alegria in Guidance if you have any questions.

Space is limited, sign up ASAP!!
