

**Antelope Valley Union High School District  
Required Immunizations for the 2011 - 2012 School Year**

**Parents MUST bring shot records to registration documenting the required immunizations. New enrollees and 9<sup>th</sup> grade high school students' records are not available to the District**

<b>Polio</b>	At least 3 doses, with the last one on or after the second (2 <sup>nd</sup> ) birthday.
<b>DTP/Td and Tdap*</b>	<b>NEW RULE for ALL students this year!!</b> At least 3 doses. The last one must be the Tdap given on or after the seventh (7 <sup>th</sup> ) birthday <sup>1</sup> .
<b>MMR</b>	2 doses. Both must be given on or after the first (1 <sup>st</sup> ) birthday.
<b>Hepatitis B</b>	3 doses <sup>2/3</sup> .
<b>Varicella</b>	2 doses or documented history of disease written by physician.

**\*The new law, beginning July 1, 2011, requires that all students entering the 7<sup>th</sup> through the 12<sup>th</sup> grades have a Tdap vaccine. For immunity to Pertussis, or whooping cough, which is currently an epidemic in California a Tdap vaccination is now required after age 7.**
